

Learning, Leading and Lifting Each other

Welcome to the July edition of the GAET Counselling Centre Newsletter!

Festive greetings to you and your family!

This month was filled with initiatives and celebrations that continually bring our vision of progressive and personalised learning to life. From fostering empathy through inclusion, to joyful monsoon experiences, to leadership and inspiring achievements, July was a reminder of how every step shapes our students into confident, compassionate individuals.

Befriending Diversity Through Compassion

This July, Counselling Centre introduced an experiential peer support initiative, Befriending Diversity Through Compassion. Grade X students from Gokuldham, Lakshdham and Yashodham High School, stepped into the Centre's micro-classroom, learning alongside our students in an inclusive set-up. Across three sessions, guided by psychologists, educators and therapists, they discovered the value of empathy, patience and meaningful interaction. The experience helped them see that learning looks different for everyone - and that inclusion makes every community stronger.

Moods of Monsoon - Splash, Sip & Savor!

Monsoon magic lit up our centre this month. Students delighted in water play, splashing and experimenting with pouring, ripples and floating objects. The joy was contagious, with laughter echoing across the space. The season's flavours added to the warmth. Young adults brewed masala tea, roasted corn and savoured the comfort of simple, homely treats. The day was a blend of curiosity, joy and the spirit of monsoon wrapped in togetherness.

Sensory-Friendly Movie Screening - Sitare Zameen Par

PVR Cinemas collaborated with our centre and hosted a sensory-friendly screening of Sitare Zameen Par. With dimmed lights, lower sound and a relaxed atmosphere, students and parents enjoyed cinema in an accessible and comfortable way. The event became even more memorable with the appearance of our proud alumnus, Mr. Usaid Shaikh, in the film. Watching one of our own shine on the big screen was a moment of pride and inspiration for the entire community.

Investiture Ceremony - Leadership with Responsibility

The month also marked the Investiture Ceremony of the Student Council for 2025-26. The newly elected student leaders took their oath of service with confidence. The ceremony was more than a formal event, reflecting the growth of young leaders ready to shoulder responsibility, the value of trust placed in them, and the power of student voice in shaping school culture.

Stay tuned for more updates and stories from GAET Counselling Centre. Until next month, let's keep learning, leading and lifting each other.

Warm Regards,
GAET Counselling Centre
