

A Month of Joy, Movement and Meaningful Expression

November at GAET Counselling Centre brought a wonderful mix of energy, creativity and connection.

Every activity this month highlighted how children learn best when they feel seen, heard and encouraged. From celebrations to sports to creative expression, our students discovered new strengths while enjoying moments that helped them grow together.

A Day of Magic and Fun – Children’s Day Celebration

Children’s Day filled the Centre with imagination and joy. The morning began with a light hearted movie that brought plenty of laughter. This flowed into outdoor play where the garden buzzed with happy chatter, running feet and pure excitement.

Back indoors students enjoyed interactive games, music and movement that kept the spirit high. It was a celebration of childhood in its truest form and a reminder that children teach us to find magic in the smallest moments.

Strength Speed and Spirit – Annual Athletic Meet

The Annual Athletic Meet showcased more than athletic skills. It brought out resilience, effort and uplifting teamwork. Students participated in track events, unified hurdle races, long jump and shot put giving their best with determination that lit up the field.

Every performance whether a new achievement or a brave first attempt became a moment to celebrate. The day offered a joyful blend of sportsmanship and personal growth where every child walked away feeling proud.

Creativity Unleashed – CC Got Talent

CC Got Talent was a colourful showcase of individuality. Students expressed themselves through singing, instrumentals, artwork, clay creations and more. Each performance carried its own spark reflecting confidence, imagination and the joy of creating something meaningful.

This event reminded us how creativity gives children a voice and helps them share their world in ways that are uniquely their own.

Impact Meter

This Month -

100+

children

enjoyed Children’s Day celebrations filled with movement music and shared joy

85%

students

participated in the Annual Athletic Meet with strong displays of effort and sportsmanship

10+

performances

were showcased at CC Got Talent across music art and creative expression

High Engagement

seen throughout the month with students showing confidence enthusiasm and a growing sense of belonging

This month’s highlights remind us how every shared moment helps our students grow with confidence and joy.

Warm Regards,
